## Personal Visor

It is important to ensure that we protect everyone who relies on us and do our best to minimise exposure when working.

The Personal Face Visor is the perfect way to ensure that your staff are shielded to help prevent the spread of viruses therefore protecting both employees and customers.

- No additional pressure to top or back of ears.
- Customers still have that friendly face to see
- Suitable for staff that wear glasses or also want to wear a mask
- No direct visor contact with the skin, reducing irritation
- Wraps around to the side for better face covering
- Replacement visors available

## Effective Design

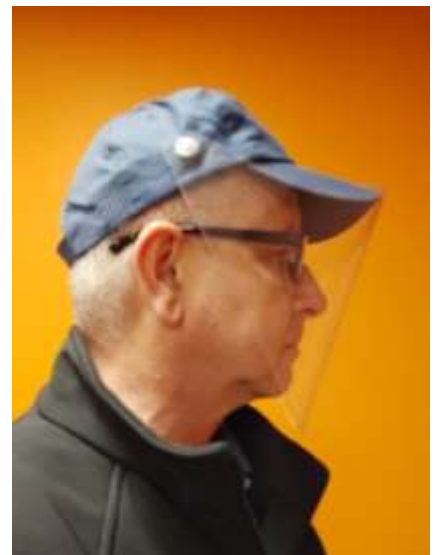

Using a one-size-fits-all black cap, the visor connects to each side of the cap, with the top of the visor having a tab that locates the visor in position to cover the face. Comfort of space inside the visor, facilitates maximise protection whilst having no limitations on normal activities. The 300 mic clear polypropylene is versatile and almost unnoticeable whilst being used. The Protective Face Shield is also easy to clean and sanitise regularly.
